

Buerton Parish Newsletter

Buerton Parish Council Resident's Newsletter Spring / Summer 2021

Parish Council News – April 2021

Due to COVID restrictions, Parish Council meetings are being held via the Zoom platform. All meetings are open for residents to observe and raise questions in the Public Forum.

Agendas are placed in the Buerton village notice board and also on the Buerton Parish Council link on Audlem Online. Anyone wishing to observe or raise an item at the Public Forum should contact the Buerton Parish Clerk Amanda Serif at buertonclerk@hotmail.co.uk

Parish Council Projects

- Refurbishment of the slide platform to an environmental friendly impact absorbing safety surface.
- Removal of the damaged gate and barrier which Has been replaced with Cheshire style railings.
- Buerton Village Millenium sign by the War Memorial has been removed and is under going a full refurbishment. The sign was made villager back in 2000 so was due for a refresher.

General Village News

The Parish Council would like to thank the residents that have been out litter picking, trimming the trees along the Woore Road and tidying and re seeding the grass verge by the phone box.

“Take Your Litter Home”: signs are being made to be placed in the 2 laybys as in recent months the amount of litter has increased.

The flower troughs & planters are looking amazing this Spring many thanks to local residents Margaret and Wendy who no doubt have got the summer flower displays in hand.

As part of a tree planting initiative, local residents are encouraged to plant a tree. The Parish Council is looking at planting a Christmas Fir Tree as part of this campaign and hopes to have Christmas lights this year on the trees in the park.

Buerton Public Foot Paths

Lots more people are using the paths but can we please impress upon you to follow the Country Code and in particular to have dogs under control and to pick up after them please.

We are planning to organise “Walking Our Paths” groups with the aim to plot some circular walks and to identify any issues with styles. Please contact Amanda Serif on the email above if you are interested in joining.

Playground

The playground and equipment have had their Annual Safety & Risk Assessment.

The goal posts and nets are being improved and replaced to conform to standards.

The assault course area is still quite wet and a warning sign will be put up to advise of this while drainage options are being considered.
